Dear MAPS employee:

Manistee Area Public Schools is providing four types of essential services during Governor Whitmer's Stay Home, Stay Safe executive order. They include feeding children, distance learning under the Governor's Executive Order 2020-65, critical central office functions and maintaining our facilities. As a result, we find it necessary to identify and designate members of Food Service, Administration, Teachers, Clerical, Support Staff, Technology, Central Office, Transportation and Custodial/Maintenance as "Critical Infrastructure workers." We understand there are concerns that you may have, however, we believe we are taking every safety precaution necessary to provide a secure and safe environment while maintaining these essential services.

I want to assure you we will get through this together.

With Students in Mind,

Sincerely,

Ronald Stoneman
Superintendent
