PowerLearning 2020/21 Agreement Form

Student name: (please print) _____

The computer, charger and case being loaned to me is in good working order unless otherwise indicated. It is my responsibility to care for all of these items and ensure that all are retained in a safe environment. If the loss or damage is not covered by insurance due to intent or multiple infractions, the full replacement value of the equipment will be paid to Manistee Area Public Schools (hereafter referred to as MAPS) by Student or Parent.

MAPS will not loan Student a laptop until MAPS receives a copy of this agreement, signed by both the Student and Parent/Guardian.

This computer, charger and case are the property of MAPS and are being loaned to the student only for educational purposes during the 2020/21 term. Students may not deface or destroy this property in any way. Inappropriate material on the computer may result in the student losing their right to use this device and potential prosecution. The equipment will be returned to the school on a date determined by MAPS or sooner if the student is suspended or expelled from school, the Student leaves MAPS, or the Student fails to comply with the terms of this agreement or the MAPS Acceptable Use Policy. Student agrees that in the event the computer is out of the Student's possession for a period of 48 hours or the Student believes the computer has been stolen, Student will immediately notify a School administrator. At the end of the 2020/21 term if laptops, chargers, bags or other supplies covered by this agreement have not returned by the date specified by MAPS the student will be assessed a fee of \$5/day; after three weeks, missing equipment may be referred to the police as stolen.

Student and Parent/Guardian agree to indemnify MAPS against any claim, suit or damage occurring during or resulting from Student's possession or use of the Computer, including, but not limited to any claim for infringement or violation of applicable trademarks and copyrights attributable to Student's use of the District's computer.

The District's computer may be used only in accordance with the District's policies and rules. Student acknowledges and agrees that Student's use of the District's computer is a privilege and Student acknowledges the Student's responsibility to protect and safeguard the District's computer and to return the computer, charger and case in good condition and repair.

Student and parent agree the computer equipment is to be used only for school purposes and in accordance with MAPS computer use policies and instruction. If Student fails to return the computer as provided by this agreement, MAPS will presume Student intended to retain possession with a criminal intent.
