You may be eligible for a one-time hazard pay if you were an active employee immediately prior to the issuance of Executive Order 2020-35 on April 2, 2020 and you performed at least 75% of your standard instructional workload in a brick and mortar classroom at a district. Public Act 166 of 2020 calls for a one-time \$500.00 hazard pay to be paid out to eligible teaching staff and a one-time \$250.00 hazard pay to be paid out to eligible school support staff.

Please review the eligibility criteria below. The attached Form 5734 must be filled out and returned back to us by December 4, 2020. Upon reviewing each submitted Form 5734, if the district determines that you do not meet the eligibility requirements released by the Michigan Department of Treasury you will be notified via email. If you feel this was done so in error, you may submit your written appeal to this decision to [sschubert@manistee.org](mailto:sschubert@manistee.org). This written appeal must be received by December 4, 2020. The Michigan Department of Treasury estimates mailing checks on or about February 25, 2021 to the address of residency provided via the Form 5734.
