

LETTER OF AGREEMENT
Between
MANISTEE AREA PUBLIC SCHOOLS
And

MANISTEE EDUCATIONAL SUPPORT PERSONNEL ASSOCIATION

Re: Paid sick days in connection with COVID-19

The Manistee Area Public Schools (“District”) and the Manistee Educational Support Personnel Association (“Association”) agree to amend Article VIII Section A of their collective bargaining agreement as follows:

After an employee uses five (5) of their paid sick days for COVID_19 related absences, the District agrees to grant up to an additional five (5) paid sick days for COVID-19 related absences for the employee’s COVID-19 related condition or requirement to isolate from work and/or for the employee to care their children and/or spouse who have COVID-19 related conditions. The additional five (5) paid sick days will not be deducted from any of the employee’s accumulated paid sick leave. The District reserves the option to request supporting medical documentation.

This amendment will be retroactive to the beginning of the 2021-2022 school year and will expire effective June 30, 2022.
